

3<sup>rd</sup> of February 2010

Dear IFHOH Members,

The International Federation of Hard of Hearing People (IFHOH) would like to invite you to the IFHOH Biennial General Meeting and Conference in Stockholm on Friday the 18<sup>th</sup> to Sunday the 20<sup>th</sup> of June 2010. IFHOH will have their Annual General Meeting at the same time, on Saturday the 19<sup>th</sup> of June. We hope to give you some interesting days in Stockholm, the capital of Sweden, where you will meet hard of hearing members from all over the world and share the information concerning hard of hearing people that will be informed of and discussed during the conference. We are honoured that the Swedish Minister for Culture Lena Adelsohn Liljeroth will be opening the conference. She is hard of hearing herself since childhood and might inspire you to what a hard of hearing person and woman can achieve.

Stockholm is as it's nicest in June, with long daylight hours and very short nights! The very same weekend, the 19<sup>th</sup> of June, the Swedish Crown Princess Victoria will get married in Stockholm. The city might be crowded with wedding guests and visitors from near and afar and the conference hotel will show the wedding on a wide screen television all day in the lobby. On Saturday evening we leave the city centre and go by boat around the Stockholm archipelago and enjoy a pleasant dinner on board the Waxholm III.
